- **APPLICATION** – Source America common application form.
- **DIPLOMA and TRANSCRIPT** - High School diploma with current transcripts including the subjects of Biology and Chemistry. The grades in Biology and Chemistry should not be lower than “C”. Final transcripts and the official copy of the diploma must be signed and notarized in the high school. If the original documents cannot be signed, then sworn statements (available from Source America) must be signed and notarized. Non-notarized documents cannot be submitted for further processing. SEALED TRANSCRIPTS ARE SUFFICIENT – THEY ARE NOT LEGAL DOCUMENTS AND WILL NOT BE CERTIFIED BY THE SECRETARY OF STATE.
- **NO OBJECTION CERTIFICATE** – In addition to a signed, notarized diploma, each applicant must provide a certificate – also signed and notarized in the applicant’s high-school - stating that there is no objection to the applicant’s continuing their post-secondary education. This document is a common document in other nations, but is not readily available in the United States. Source America will provide this document which the applicant will take to the high-school to be signed, notarized, verified and returned to the Source America office along with the rest of the application materials.
- **DOCTOR’S NOTE** - A medical certificate issued not earlier than one month prior to the application date, stating that the applicant does not suffer from any communicable diseases, being in good physical and mental health to pursue a training course in medicine. The document must also be notarized.

- **PASSPORT** - Photocopy of passport valid for at least six (6) months
- **AFFIDAVIT** - This document is provided by our office. It is a letter of financial support, signed by one of the applicant’s parents or any other relative (the SPONSOR), and backed by their representative bank. The document must also be notarized.

DEPENDING ON THE APPLICANT’S STATE OF RESIDENCE, THE APOSTILLE PROCEDURES MAY VARY. SOME STATES REQUIRE THE NOTARY STAMP TO BE VERIFIED BY THE COUNTY CLERK BEFORE SENDING TO THE SECRETARY OF STATE FOR APOSTILLE STAMPING.
